We do not handle USCG 213RR's. They should go through whatever their normal channels are to bring on the personnel they need. We cannot assist them and typically, those Agencies in Unified Command take care of their own 213RR's unless perhaps a request was to provide a service (like phone, internet etc) that would be used by everyone. Other than that, they should handle their own 213's.

To All,

Am in receipt of a 213RR from USCG PIO on site at Alpha. Looking for a by name request of a USCG reservist currently at Charlie. This is a new one for me. How do I proceed? Please see attachment.

Thanks,

Derek
